

Has it been rotated?

```
if $LastLine contains $LastStamp
```

```
    It has been rotated()
```

```
else
```

```
    It has not been rotated()
```

```
    Search from $LastLine
```

```
fi
```

like this...?

```
LastLine = 350
```

```
LastStamp = 19:48
```

```
Sed -n "${LastLine}p" | grep $LastStamp
```

```
if [ $? -eqne 0 ]; then
```

```
    it_has_been_rotated
```

```
else
```

```
    it_has_not_been_rotated
```

```
fi
```
